

Sushi Gen (Little Tokyo, Los Angeles)

Lunch date with the hubby at Sushi Gen! This was the line before they were even open. Luckily, we got seated immediately at the sushi bar where we experienced their delicious omakase.

Omakase means “It’s up to you”, which is a Japanese tradition of letting the chef create any plate for you. Here, the plates keeps coming until you say stop.

This was one of the best sushi experiences... ever. Everything we ate was so fresh with the flavor perfect to our taste.

We spent \$300 easily, and that is without drinks! Worth every penny.
